MEMBERS CORNER

Congratulations to the following members!!

Steven Lee and Christa Fayard on their marriage.

CJ and Emily Hodges on their marriage.

Codey Wolfe on the birth of his baby boy.

Please lets us know you have anything you would like to share!

UPCOMING WORK

Fab shop in Long Beach, MS needs fitters and welders for work.

We are expecting to be in negotiations with a new signatory contractor in July to place building trades fitters and welders at Ingalls shipbuilding in Pascagoula, MS.

Refer potential members to our Organizer Mike Gatz at (228) 229-4821.

BUSINESS MANAGER OUT-OF-TOWN

Jeff will be out of the office July 14-15 for Texas Pipe Trades Health Fund Meeting in Texas and July 20-24 for Alabama Pipe Trades.

"Positive anything is better than negative nothing" – Elbert Hubbard

JATC

Training Facility- Please contact the JATC for scheduling any practice or weld tests. 228-863-1853 opt 2. Weld testing will only be done on Fridays.

UA Local 198 and UA Local 119 are hosting EPRI rigging class. Members interesting in taking the class should contact the hall to schedule.

Attention All Welders and Med Gas Certs. Please ensure your continuity is current. They expire every six months. If you need a continuity form, please advise the JATC. A UA signatory contractor must sign the continuity form.

Apprentices Watch your Emails for Orientation date!

Upcoming Events

Union Meetings are the 2nd Monday of every month and start at 6pm. Members are encouraged to attend.

The next two meetings are:

07/13/26 – Meeting at 6:00 pm

08/10/26 – Cancelled due to 41st UA General Convention in San Diego,CA

Please update any Address, Phone Numbers or Emails that have changed. So, we can make sure you receive all information from the Hall!!
